

## Rundweg Pantasina 1

### Elevation profile

Distance: 1.9 km

Time: 3/4 - 1 ½ hours

Ascent: 90 m

### Data on the hike

The starting point of the hike is the church square in Pantasina.

Walk into Via M. Ameglio (arrow in Fig. 1) for about 100 metres past the small village shop and turn left into Via delle Alpi (Fig. 2). The road climbs steeply. Follow it uphill (fig. 3), immediately after the last houses it turns into a partly concreted path (fig. 4, 5) and then continues uphill through a sparse deciduous forest (fig. 6). At the fork in the path, keep right (Fig. 7), walk downhill and leave the forest after a few metres. The now concrete road leads downhill through gardens in serpentines. The view of Vasia opens up between the fruit trees (Fig. 8). Further down, the road passes reed beds (Fig. 9) and soon joins the provincial road (Fig. 10), which leads back to Pantasina.
